Project Directions

Inks
Encore Pink, Green, Bronze, Blue and Silver

Instructions

1. Cut out piece of white cardstock measuring 11" x 5 1/2" and fold in half to create a square card
2. Dry emboss circle border around four sides with brass template
3. Divide front panel into four quarters and ink the quarters using Encore Pink, Green, Bronze and Blue
4. Sand the raised dry embossed border so white shows through
5. On a separate piece of white cardstock, stamp trees in corresponding seasonal colors. Ink edges more heavily than the center for added detail
6. Trim each stamped image and mount onto corresponding colors on card front
7. Stamp 'Special Thanks' in Encore Silver onto white panel and heat emboss with Clear Embossing Powder
8. Cut the sentiment and then ink each edge with colors used on card
9. Mount with foam adhesive in center of card
